GRAF ZEPPELIN ON SECOND U.S. FLIGHT

FLIGHTS TO START AT TACOMA

SEATTLE, Wash., July 31.—UP—Possibility of an air race across the Pacific from the state of Washington to Tokyo, Japan, loomed here tonight following the announcement of Robert Wark, Seattle aviator, that he would take off within the next six weeks on a refueling flight via the Great Circle route.

Harold Bromley, Tacoma pilot, whose first attempt to make a non-stop flight to Tokyo, ended in a crash before the plane left the airport near Tacoma, last Sunday, has left for Burbank, Calif., where he will oversee construction of a new plane for another attempt.

Machine Ready
Bromley and his backers plan to have the machine ready by the end of August. He plans his flight to a high-speed Lockheed monoplane with 425 horsepower "Wasp" motor, high-life low wing, and

COOPER PAID HONOR BY CHIEFS

Fire Chief William P. Cooper of Richmond was named assistant secretary of the Pacific Coast Fire Chiefs' association at a convention held in Vancouver last week. Chief and Mrs. Cooper arrived in Richmond yesterday noon from the concave which closed last Friday.

Chief Cooper will act as assistant to J. W. Stevens, who was re-elected secretary of the association.

Chief Cooper was again honored by the association when he was named a member of the committee which will decide upon the next convention place. It was rumored that Oakland will be selected as the site of the 1930 convocation.

The convention was attended by more than 900 fire chiefs. Among them were Chief Cooper of Richmond and Chief Arthur H. Byrd of the El Cerrito fire department.

The association includes chiefs of fire departments of all states west of the Rocky Mountains, Mexico, western Canada, the Philippines and Hawaii. It has a membership of almost 2000.

Chief Cooper will serve for a year. His election was a mark of recognition by the association for the work that he has done in Richmond. In 1928 the Richmond department was nationally recognized for its low fire loss.

Chief and Mrs. Cooper made the trip by automobile. They were accompanied to Portland by his sister, Mrs. W. A. Sexton, of Coronado. At Portland they met Mrs. Cooper's parents and took them to the convention city. On the return trip, Mrs. Sexton was brought home.

Before coming to Richmond, Chief Cooper was connected with the Portland, Ore., fire department.

Building Permits In July Total \$57,185

Richmond building during the month of July this year was nearly double that of last year according to the records in the office of A. J. Hurley, city building inspector. Construction for the last month amounted to \$57,185 as compared with \$36,300 for the same period last year.

Ten new homes were constructed during July this year as compared with half that number last year. The total for home building

this year was \$32,900 while last year it amounted to \$18,900.

Other construction included 26 permits for miscellaneous repairs and alterations to the amount of \$6485, and 8 private garages costing \$800.

One of the largest individual permits for the month was the one for \$17,000 for the construction of the new garage at Barrett avenue and Twenty-third street.

Three Motorcycle Riders Pay Fines

Forgetting to turn the key in his motorcycle lock, cost a Petaluma youth \$10 and two of his companions \$10 each when they appeared before Police Judge C. A. Odell on a speeding charge yesterday.

The three youths, all from Petaluma who appeared in court yesterday are J. M. Skoff, Joe Terry and Lyle Shores. They were arrested for speeding 50 miles an hour on Cutting boulevard.

According to the story told in court, the youths in company

with six others were on a trip to the bay region. When they started to get off the ferry one of the number couldn't get his motorcycle started. When he finally discovered that he had failed to turn his key the two companions who had stayed with him started to catch the remainder of the party.

While trying to make up lost time along Cutting boulevard they were halted by a traffic officer who gave them the invitation to yesterday's court session.

Federal Prisoners To Be Jailed At Martinez

MARTINEZ, July 31.—The Contra Costa county jail will be hosts to-out of town patrons tomorrow when 15 federal prisoners arrive here from Eureka. They will begin serving sentences imposed upon them by Federal Judge Harold Lunderback for violation of the national prohibition amendment.

Due to the Humboldt county jail being filled to capacity, it has been found necessary to incarcerate nearly 40 prohibition offenders in other county jails. Solano county will also receive a quota of the prisoners.

Local sheriffs will go to San Francisco tomorrow to receive the 15 prisoners from federal authorities who will accompany them from Eureka. Two federal prisoners sentenced in San Francisco to terms of 10 months for violation of the national prohibition act were brought to the county jail last night. The men are Eddie Jones, 32, and Jack Toso, 25.

Boy Scouts Open Jamboree Meeting

ARROW PARK, Birkhead, England, July 31.—UP—The "World Jamboree" of Boy Scouts officially was under way tonight. Thirteen hundred sturdy American boys were taking a prominent part in the convalescence which marks the twenty-first year of the organization's existence.

Sitting around the campfires in the big tent-city erected for the Jamboree, the Boy Scouts reviewed the opening ceremonies and renewed their community singing this evening.

The strong American contingent, wearing brightly colored

lumberjack blazers, swung into the arena this afternoon as the opening ceremonies started. Leading the parade of 50,000 boys, the Americans made a stirring picture as they passed in review before the Duke of Connaught, uncle of the king.

Flags waved briskly, the Americans led the way for the Australian, American, Brazilian and 67 other contingents, following in alphabetical order. The contingents assembled before the royal box from which the Duke of Connaught made the address of welcome.

Survey Of Slough Project Furthered

City Engineer E. A. Hoffman will be asked to survey the projected Ellis slough dredging project, as the result of a meeting of property owners in the office of J. R. Hayden, assistant traffic manager of the Santa Fe in San Francisco yesterday.

Government engineers reported that they were too busy to survey the project at the present time.

more than a year ago contemplates the dredging of a channel along Ellis slough to a point near Cutting boulevard. The channel will be 300 feet wide, 32 feet deep and 4000 feet long.

Hoffman will make a complete survey of the project to determine the amount of material that will have to be dredged from the channel and the amount of filling that will be required on the various properties.

Judge Plank To Leave For Rest

Police Judge J. E. Plank of El Cerrito will leave this morning for Est river where he will enjoy a two week's vacation.

During his absence, Fire Chief Arthur H. Byrd will act as police judge.

SHIP PLANS TO 'BEAT' STORM

FRIEDRICHSHAFEN, Germany, Aug. 1 (Thursday).—UP—The German dirigible, Graf Zeppelin, departed at 3:22 a.m. on its second flight across America, racing rapidly against the west in an effort to escape menacing storm area descending from the North sea.

Determined to beat the approaching "low atmospheric" storm, Dr. Hugo Eckener, commander of the dirigible, started the flight in spite of some criticism rather than risk a delay of several days on account of adverse weather due here shortly after dawn.

The Graf Zeppelin rose ghost-like from the misty field and sped out along the dark shores of Lake Constance. It is due at Lakehurst, N. J. Saturday night or early Sunday if all goes well.

Crew of 41

The dirigible carried a crew of 41 men. Its cargo included 20 canaries, two gorillas, a piano, four pigeons, a bust of the late Baron von Huenfeldt, a Reuben's painting and 200 pounds of mail.

Expecting to encounter light winds and showers, Dr. Eckener Continued on Page 3)

SHAFFER HEADS LABOR GROUP

J. A. Shaffer was chosen president of the Contra Costa Central Labor council at elections held last night in Brotherhood hall.

Other officers elected to head the labor organization for the coming year are D. F. Quinlan, vice president; Miss Viola Cox, secretary and F. M. Ciola, guide. The new officers will preside for the first time Wednesday night when committees will be appointed.

Reports of the picnic held under the direction of the council last Sunday at Neptune beach were delivered and showed that the event was a financial success, according to Miss Cox.

NATIVE SONS TO INSTALL

Recently elected officers of Richmond Native Sons of the Golden West will be installed in Redmen hall Wednesday night, according to plans made at a business meeting last night.

Installation of a class of candidates will be held Aug. 21. Grand officers of the lodge will take part in the ceremonies. Refreshments will be served by a committee composed of J. N. Long, E. Durg, G. L. Eby, H. D. Mason, Charles Swartout, Frank Weber and Thomas Shea.

Xavier Funeral Services Held

Funeral services were conducted yesterday morning under the direction of the Bert Curry chapel for Frank Xavier, pioneer Richmond citizen who died here Saturday.

Mrs. Mas was said at the St. Mark's church. Interment was in St. Joseph's cemetery.

Deceased leaves several sons and daughters.

ON VACATION
Mr. and Mrs. T. H. DeLap are leaving today for Lake Tahoe where they will spend their vacation.

Mrs. Emily Walker, 319 Washington avenue, is reported to be seriously ill at her home.

BOY SCOUTS FORM BAND

Organization of a troop committee training course was recommended at a session of the Richmond District Scout Council last night in the Elks club. The course will start Aug. 21, under the direction of Robert F. Cox, Scout executive.

The course will be for the purpose of training members of the troop committees for their duties and aims.

F. C. Shallenberger was named chairman of the training department. Courses will open for Scout leaders in September.

Organization of a Boy Scout band will be started immediately. Vern Orr will be the bandmaster.

Reports of the troop committees were given and M. F. Beebe gave a report on the recent Scout camp held in the north. Exactly 28 percent of the enrolled strength of the local Scouts attended the camp.

H. R. Warner, county Scout executive, was present and gave a report. The meeting last night was under the direction of C. E. Clark. Among those present were Dr. A. B. Hinkley, Lud Johnson, Willard Poase, C. E. Burns, H. J. Simmons, J. B. Corrie, John Opman, Beebe, Dr. George A. Boehmer, Dr. L. A. Sears, Dr. L. Hewitt, P. M. Fabricius and C. C. Pummell.

Annulment Of Marriage Voided

SAN FRANCISCO, July 31.—UP—The daughter of a New Jersey steel magnate could easily have determined that her fiancé was a shoe clerk and not the owner of a large store handling footwear, according to a ruling of the state supreme court here today, nullifying the annulment of the marriage.

The opinion of the court ruled that Adrian Cohen daughter of Jacob Cohen, wealthy industrial leader of College Point, N. J., and Jack Mayer, the "shoe clerk" were legally married and there was no evidence that Mayer had committed fraud to gain the hand of his bride.

GIRL MASKS AS MAN FOR TEN YEARS

LANCASTER, Pa., July 31.—(UP)—Girlish hearts will flutter no more at the sight of handsome "Bob Goehenauser" who sang first tenor in the church choir and specialized in moonlight automobile drives.

"Bob" was revealed today as Ellen Thomlinson, a young woman of 28, who had been posing successfully as a man for ten years. Until a few days ago no one in Lancaster suspected the masquerader's sex. "Bob Goehenauser" was a highly respected and popular member of the younger set, who had won the post of first tenor in the choir by scaling high "G's" without difficulty and who had shown promise as an artist.

Some of "Bob's" girlish admirers were saddened recently by the announcement he expected to marry a young woman who sang with him in the choir. The parents of the young woman, however, were suspicious. They had heard reports that, after his moonlight rides with their daughter, "Bob" would occasionally appear at roadhouses in the vicinity, dressed as a girl.

The black-haired, well dressed choir tenor, confronted by Policewoman Agnes Ferriter, confessed "his" real identity. "And now that you know it, what are you going to do about it?" the masquerader asked defiantly.

The Lancaster police admitted they could do nothing more than charge Miss Thomlinson with obtaining a driver's license under a false name.

STARCHED, TRUSSED, IRONED MALES REVOLT AT PAJAMA FETE

CHICAGO, July 31.—UP—Wind and waves were absent, Lake Michigan's waters were as calm as a dead sea, but the famous boulevard along its shores was thrown into confusion today as only an unusual spectacle of a pajama party at high noon could create.

When the pajama craze reached the party state in Chicago, automobile motors were silenced, pedestrians turned their heads from window gazing and traffic police-

HEARING FOR ENVOY SET

SAN FRANCISCO, July 31.—UP—A new diplomatic tangle confronted authorities here tonight as they held Francisco De Leon Perez, Guatemalan consul general who was temporarily suspended Monday, pending developments in the condition of Celso De Leon, who was shot Tuesday.

De Leon, wealthy importer and an old friend of the envoy's family, was still in critical condition tonight, hospital attendants reported. There was no change in the paralysis caused by a bullet through his spine.

The diplomat from South America was taken into police court this morning, handcuffed to a vagrant and indicated he will claim diplomatic immunity.

Consulate attorneys and police voiced the opinion that the state could handle the case, but Gerald Campbell, British consul and dean of the diplomatic corps here, declared his belief was that only the federal court had the right. In view of the opposite views the hearing was continued until Friday.

The importer was shot Tuesday. Perez was taken into custody a few seconds later. His face showed the worry caused by divorce action his wife started two weeks ago.

What Society Is Wearing

MRS. RAWSON WOODS WORN BY HER DAUGHTER, MRS. WOODS, IN MORE FORMAL VERSION OF AFTERNOON FROCK

Shirring Shirts Adds to Fullness of Frock Worn by Newport Tennis Enthusiast

By HELEN WORDEN
Copyright Press Publishing Co.
(New York World) 1929

Much tucking and shirring trims the graceful crepe afternoon frock worn by Mrs. Rawson Woods at Newport.

The waist is defined by a narrow band of contrasting silk which runs in double curves across the bodice. A circular jabot also adds a note of ornamentation to the blouse.

Another feature of fashion interest on the smart ensemble is the shirring which furnishes additional fullness to the skirt. This front fullness is one of the new frocks.

With the dress Mrs. Woods wears a trim little coat of matching fabric, collarless and banded in a series of tucks about the sleeves and hips.

Chic accessories include a medium brimmed straw hat, several strands of pearls in varying lengths, light suede slip-on gloves, a dark pouch bag, light silk hose and one strap kid sandals of delicate hue.

Mrs. Woods is noted for her skill in tennis and is always an enthusiastic spectator at Casino matches when she is not playing herself. Horses interest her as well, and each year finds the attractive matron journeying to the famous Grand National in England for the celebrated Steeplechase. Mrs. Woods is a Newport colonist who has spent many summers at the exclusive resort.

FARM PRODUCT TARIFF RATE INCREASED

WASHINGTON, July 31.—UP—A substantial increase in tariff rates on some agricultural products were made today by the Senate finance committee in answer to repeated demands of farm representatives. Some were in the face of specific protests from Canada.

The rates were made public by Senator Couzens, Rep., Mich., in defiance of the secrecy rule of Republican members who are revising the House measure. Couzens made the new rates public at his office after Chairman Smoot had refused to divulge the committee's action. Couzens made a few rates public yesterday.

Increase on House bill rates were as follows:

Fresh milk raised from five to six cents a gallon; cream, 48 to 56 cents a gallon; skimmed milk, one and three quarters cents to 2.01 cents a gallon; increases of a fraction of a cent on all grades of condensed milk; live poultry, six to eight cents a pound; dead poultry, eight to ten cents a pound.

Eggs, cattle, sheep, swine, reindeer meat and venison, extracted meats and fresh meats were given the same rates as in the House bill, as was butter. Rates on fish were reduced. Rates on frozen fish were cut from one to one-half cent, on cod and haddock, from one and a half to one and a quarter cents, and on clams from 25 percent ad valorem to 20 percent.

Lightning In North Starts Forest Fires

PORTLAND, July 31.—UP—As the result of scores of violent thunder storms in the mountains, Oregon and Washington forests were blazing at half a hundred different points and forest service headquarters were scenes of hectic activity.

Lightning started 16 separate fires in the Cascade national forest according to reports from Eugene. In the Deschutes National forest 23 forest fires were burning tonight following a series of storms, said reports from Bend.

Thunder squalls have been in progress on the Cascades since Tuesday and have swept north along the divide from Fish Lake, setting fires as they went.

So far, none of the fires is of serious nature, forest service officials believe, although the firefighters dispatched to some of them have not yet had time to report.

Marian Nixon To Acquire Two Names

LOS ANGELES, July 31.—(UP)—Marian Nixon, Petite motion picture actress, hopes to acquire two new names in the next two weeks.

The actress, who was born under the name she uses in the films, became Mrs. Joe Benjamin when she married the well known boxer several years ago. Subsequently she obtained a divorce but neglected to get her own name back. She filed a petition in superior court today asking that she be made Marian Nixon again legally. And then she announced that she would change her name again on August 11, when the plans to marry Edward Hillman, Jr., of Chicago.

BANDIT ROBS PAYROLL CAR

VANCOUVER, B. C., July 31.—(UP)—Provincial police were hunting tonight for five heavily armed bandits who robbed the payroll car of the Canadian Pacific rail Steamship lines and escaped with \$91,000 in checks.

The robbery occurred just before \$73,000 in cash was brought to the payroll machine late yesterday. Had the bandits timed the attack a few minutes later they would have had something to show for their pains. It is believed that the checks will prove worthless to them as warnings have been broadcast not to cash them.

New Motor Club Denied License

SALEM, Ore., July 31.—UP—Application of the North American Automobile association for permission to operate in Oregon has been rejected by the state insurance commissioner on the ground that preliminary showings by that organization have not been satisfactory.

In case it's officials see fit to post a bond of \$25,000 as a guarantee of good faith the application may be reconsidered, it was said.

At present the only two automobile clubs licensed in Oregon are the Oregon State Motor association and the American Automobile association.

GRAF ZEPPELIN ON SECOND SEA HOP

(Continued from Page 1)
planned to follow a "middle course" on the flight. He will alter his plans at any time weather advises prompt a change, however. The course probably will take the ship over Biele, Switzerland, onto La Rochelle and across the Bay of Biscay, flying almost straight west.

From the Bay of Biscay he planned to strike out over the Atlantic following the 45 latitude. In case of low pressure in that area, the Graf Zeppelin will swing southward toward the Azores. From that point weather conditions will govern the flight.

Previous Route South
The previous trip was made on a more southerly route which touched Gibraltar and carried the dirigible south of the Azores islands.

The passengers waited around the hotel in Friedrichshafen during the early hours of the evening. The Graf Zeppelin is scheduled for a round trip flight around the world, which will carry the big ship to Tokyo, thence to Los Angeles and back to Lakehurst, on the tentative date of Aug. 29.

The Zeppelin's "wine cellar" was stocked more lavishly than on any previous trip. There was a great abundance of both wine and champagne. Officials pointed out that the surplus will not be thrown overboard as they near the United States but will be locked and sealed in an iron box carried for that purpose. The United States customs officials wanted on the last trip against recurrence of the discovery of bottles of liquor in the passenger cabins.

Flurry of Confusion
There was a flurry of confusion as the dirigible was dragged from its hangar. A member of the ground crew which was tugging at the ropes shouted:

"Somebody jumped on the ship!"
Guards leaped forward but they were too late to search for a possible stowaway. It was also too late for the ship to halt and the belief was raised that a stow-away was aboard.

The Graf Zeppelin's chef, Otto Manz, nearly missed the takeoff

Woman Held In Still Case To Get New Trial

LOS ANGELES, July 31.—UP—Mrs. Theima Holland, the pretty 22 year old wife who faced the possibility of having her child born in San Quentin prison late today was granted a new trial on charges of possessing a still.

Superior Judge Emmett Wilson granted Mrs. Holland permission to change her plea of guilty she entered previously and to stand trial. She will appear Thursday morning to have the date set.

The young woman, whose sentence of from one to five years in San Quentin prison aroused vigorous public protest on the ground that she soon will become a mother and that her husband had admitted responsibility for the presence of the still in her home, was liberated on \$1000 bail tonight.

Judge Wilson, who previously had relented from his sentence of immediate imprisonment to grant a stay of execution until the next February upon motion of the woman's new attorney. She is step-mother to her husband's six children by a former marriage.

Woman Robbed By Auto Thugs

ANACORTES, Wash., July 31.—(UP)—Officers in Skagit, Whatcom and Snohomish counties tonight were searching for two bandits who held up and robbed Mrs. Harley Thayer, wife of an Anacortes lumberman today, and left her in her car with her hands tied, after they had taken \$265 which she was transporting to the bank to be deposited.

The pair drove alongside her car in a buff colored coupe. One of them jumped aboard her car and ordered her to drive to an isolated road near town. There they took the money and drove away.

With her hands still tied she made her way to a service station and gave the alarm.
of the big ship. The passengers were saying their farewells when it was discovered that Manz was missing. There was a wild rush to find him. He was found asleep in his butcher shop nearby. He was roused and rushed aboard.

Robin Fliers At Comrade's Bier

ST. LOUIS, July 31.—UP—Two airmen who flew to world fame in three epic weeks found themselves late today "with the reverence" before the bier of a fallen comrade.

Dale Jackson and Forest O'Brien famed for their amazing flight of 120 hours, 21 minutes, in the St. Louis Robin paid their respects to the memory of George Lea Lambert.

It was Young Lambert's death in the crash of a dual control training ship last Monday that prompted Jackson and O'Brien to terminate their flight Tuesday night. They flew Lambert intimately and wanted to be present at his funeral service.

Clear The Decks

SCENE from "CLEAR THE DECKS" starring Reginald Denny which is appearing on the screen of the Fox-California theater today.

"CLEAR DECKS" HURRICANE OF LAUGHTER

One of the most entertaining and really funny comedies seen in many months, "Clear the Decks" Universal's latest production, starring the fascinating Reginald Denny, is to be shown at the Fox-California theater today only.

It is a hurricane of laughs and keeps the audience in a constant state of mirth from the opening "sit" to the final "close-up." If the reaction of the spectators is at all accurate as an indicator, this picture should add immensely to Denny's already overwhelming popularity.

Denny portrays the part of a young millionaire, recently returned from an extensive trip to Africa, who falls in love with a strange girl whom he sees in a dining room of an exclusive hotel. He is unable to ascertain her name but learns that she is sailing that day for an ocean voyage.

He is unable to secure passage on the same boat but comes across a friend of his who is booked to take the cruise for his health and does not want to go. Denny changes places with him, sails under his name and promises not to reveal the fraud. You can picture his consternation when he is supposed to be a mentally unbalanced invalid. The antics of the sparkling Denny in this situation and the fact that he is mistaken for a detective by two jewel thieves, who are taking the same boat, combine to furnish one of the most hilarious comedies that have appeared here in many months.

Oliver Hasbrouck is delighted as the heroine and Lucien Littlefield is a riot as the male nurse who is the butt of Denny's extensive punning. Collette Merion and Otis Harlan offer a very realistic performance as the two crooks.

Joseph P. Henabery, who has directed some of Denny's outstanding hits, handles the megaphone very capably.

The story is an adaptation, done by Earle Snell and Gladys Lehman, from E. J. Rath's popular novel, "When the Devil Was Sick."

Thunderbolt To Be Pictured On Screen Here Soon

Sailors of the seven seas and many natives of the ports in Asiatic waters once knew George Bancroft, one of Hollywood's leading stars, as "Open Wide George." Bancroft, whose latest picture, "Thunderbolt," an all-talking drama of life in the underworld of New York's Harlem, will show at the Fox-California theater soon, started his theatrical career producing minstrel shows and American vaudeville. He was an enlisted man in the Navy.

"Today," says Bancroft, "the navy arranges motion picture shows and many other kinds of diversions for the men at sea. In those days, the only entertainment was self-devised. We gave a minstrel show. I routinely acted and was an end man in blackface. Then, as now, I had a rather lousy laugh and my makeup made my mouth seem even larger than it is. Someone began to call me 'Open Wide George' and the nickname stuck until I left the navy."

This taste of theatrical life led Bancroft to the stage and then to moving pictures. His first outstanding success was made in Josef von Sternberg's "Underworld" and he has steadily climbed the ladder to stardom. Now his second all-talking drama, "Thunderbolt," directed by Volp, is reported to be a new smash hit for the star.

Also on this bill is an all-talking comedy, "Jed's Vacation" and a Fox talking news.

GASOLINE TAX FOR QUARTER SETS MARK

The activities of California motorists did not cease when the peace pact between warring dealers in gasoline became effective, according to reports issued today by the state board of equalization.

The conclusion of the board is based upon returns made to the office by distributors of motor vehicle fuel for the quarterly period ended June 30.

For the months of April, May and June, the total distributions of motor vehicle fuel amounted to 307,517,866.7 gallons. The tax of three cents per gallon on such distribution, less one percent for shrinkage, will amount to \$9,133,280.69. This is the greatest assessment against distributors for any one quarter and is an increase of 6.8 percent over the previous highest quarter ended September 30, 1928 when a tax of \$8,551,276.39 was charged against distributors of 287,821,761.9 gallons. It is further noted by the board that the current assessment shows a gain of 7.7 percent over that for the corresponding quarter in 1928.

For the tax roll amounting to \$8,477,286.69 on distributions aggregating 285,430,526.2 gallons.

The board reports that the total assessments for the corresponding period of 1928, for which a tax of \$15,935,123.09 was levied, indicates a gain of 11 percent, and it is believed that the motor vehicle fuel taxes for the year 1929 will exceed \$35,000,000. After the allowance of refunds because of use of the fuel for non-highway purposes, it is estimated that more than \$32,000,000 will remain to be spent for highway construction and maintenance.

Although June is the month in which residents and tourists using the highways in great numbers, returns from distributors for prior years demonstrate that the peak is usually not reached until July or August. For this reason it is considered likely that the taxes for the ensuing quarter ending September 30 may reach the total of \$10,000,000.

THE GOLDEN DAYS ARE HERE AGAIN--

You Live In The Richest County In America

The GOLDEN DAYS ARE HERE—What Americans want (and get) in worldly goods, is set before you. The finished product in abundance is right here in our own CONTRA COSTA COUNTY—TO HAVE AND TO HOLD.

The PER CAPITA WEALTH of Contra Costa county is \$5,418 per person as compared to \$3,300 per person in the next highest county in the United States. THINK THAT OVER. And Remember that Richmond is the largest city in the county. When you let these facts sink in, you have something to write home about—something that will give you something to shout about and something that ought to make you mighty proud.

We have this proud record in spite of the fact that Contra Costa is by no means the largest county in the United States. As a matter of fact—our size has nothing to do with it—it is the type of citizens that has made up the difference.

Consider, too, that we do not boast of millionaires and huge stock exchanges, but we do boast of

having a county that produces real wealth—the things the world needs—Real wealth means the production of things essential to humanity.

CONTRA COSTA COUNTY can look forward to a bigger growth and we do not believe that we are setting too high a mark when we say that RICHMOND will be a CITY OF 50,000 in the next five years.

Let your mind drift back to the days of the 49ers, as the picture at the top of this page suggests—imagine if you can what this county and particularly RICHMOND was at that time—just a lot of undesirable ground, nothing more. And today—the richest county in all America.

Here in Contra Costa County we know nothing of storms, such as are common in other parts of America. We never have seen a hurricane. No school child could tell you anything about a tornado from experience. No great floods occur. Deaths do not occur from sunstroke or from freezing. Huge

banks of snow do not bar our paths and make it uncomfortable to get from place to place. The ground is never frozen up for months at a time. Here one can wear the same weight clothes all year around without discomfort. These facts are worth keeping in mind—when we hear someone grumble about his position in life. YES — THE GOLDEN DAYS ARE HERE, and they are destined to stay for a long period.

For the benefit of those who may be reading this at some distant point, or for those who have not been with us long—we have a mean temperature of about 58 degrees, little fog, and an average rainfall of about 20 inches; while Washington, D. C. has 42 inches of precipitation; Boston has 43-63; New York 44-63; Atlanta 49-36; New Orleans 51-42 and Cincinnati 38-33.

WE BELIEVE WE ARE ENJOYING THE GOLDEN DAYS BECAUSE WE LIVE HERE.

'LIVELY' BALL SCHEDULE FOR ELKS LEAGUE SCORED BY TEAMS

NEW YORK, July 31.—UP—The lively ball is threatening the popularity of the national pastime in the opinion of the majority of major and minor league baseball managers and officials polled by the United Press.

The major league managers favor a return to the dead ball, four like the present ball, one doesn't care what kind of ball is used and another failed to express an opinion.

John J. McGraw and Wilbur Robinson are the leaders of the group who would return to the dead ball. Miller Huggins steadfastly sticks by the 'lively' ball, but admits it might aid the game to help the pitchers.

Lunds Fens
"We've got to play this game the way the fans want it played," Huggins said. "They build the stadiums, and they pay the bills, and they like the home run."

President E. B. Barnard of the American league thinks the lively ball is being exaggerated as a menace to baseball, while President John Heydler of the National league maintains that there is no difference in the baseballs used in the senior circuit during the past ten years.

Since the lively ball controversy started a few weeks ago, several clubs and leagues have taken steps to curb the free hitting, big scores and long games. The St. Louis clubs have erected a screen in front of the right field stands at Sportsman's park and the Phillies have announced their intention of doing the same thing at Baker bowl.

Ball Discussed
Two leagues—Eastern and New England—have voted to discard the lively ball. President Heydler has instructed the National league umpires to rub dirt on new balls before putting them into play. The manufacturers of baseballs have introduced a new type of ball, with a loose cover.

Five managers in the International league have no fault to find with the baseballs in use in that league.

In the American Association, where hitters have rounded out 140 home runs this year, the consensus favored the present ball. Only three managers, Neo Leibold, Columbus, Casey Stengel, Toledo and Marty Berhammer, Milwaukee, voted against the "Rabbit" ball.

DEER SEASON WILL OPEN TODAY

The annual exodus of the mighty nimrods of Richmond into the "wild and woolly west" in search of the exclusive deer is on. For today deer season opens in district two and a half of California.

Already a large party of local hunters have journeyed away from the city to mountain retreats. At the first sign of dawn today they will go out into the hills each striving to make the first kill of the year.

Hunters have been warned by their state fish and game commission that they must procure tag licenses to be filed in duplicate, one to be mailed to the commission at San Francisco and the other to be attached to the deer's horn.

The season opens tomorrow in the following counties:

Fresno, Kings, Merced, San Joaquin, Stanislaus, Mendocino, Contra Costa, Colusa, Glenn, Lake Marin, Napa, Monterey, San Benito, San Luis Obispo, San Mateo, Santa Barbara, Santa Cruz, Solano, Sonoma, Ventura, and Yolo.

AIRPLANE RACE ACROSS OCEAN

(Continued from Page 1)
900 gallon gasoline capacity to make the 4700 mile jump without a stop.

Wark will fly a Curtiss "Robin" monoplane powered with a 170 horsepower "Challenger" engine and intends to refuel in the air over Dutch Harbor, Alaska, some point on the Aleutian Archipelago and a point on the northern Asiatic coast. Refueling planes will be stationed at these places.

Prize Posted

He will seek a purse of \$35,000 which has been posted in a local bank for some time as a reward to the first flier to make a non-stop flight from Seattle to Tokyo.

Wark intends to leave for the east within ten days to take delivery on his plane. It will be the same model used by the St. Louis fliers in breaking the world endurance record, except that it will be equipped with pontoons instead of wheels when it takes off from Elliott Bay or Lake Washington.

Wark will be accompanied by a co-pilot who will assist in navigating. The plane will carry 275 gallons of gasoline as its maximum fuel load.

Carmen Union Holds Social Meeting Here

Carmen's Union Local No. 192, comprised of motormen and conductors of street car lines in the Eastbay district, held an all day social meeting in Brotherhood hall here yesterday.

Members from Richmond, Oakland, Berkeley, Petaluma, Hayward, San Leandro and Alameda attended. Entertainment and refreshments were provided during the day. George Durand, president, B. F. Bowber, vice president and L. W. Matthews, financial secretary, formed the committee in charge of arrangements. More than 500 members of the union were present.

OAKS DEFEAT SENATORS IN SECOND

SAN FRANCISCO, July 31.—UP—Tables turned in favor of the San Francisco Seals and the San Francisco Missions in the Pacific Coast league today.

The league leading Seals stopped a rally by the Hollywood Shells, in second place, and won by a score of 7 to 5. Hollywood started the scoring with two runs in the second but the Seals made six in the fourth. Each team made one run after that until the last of the ninth when Hollywood scored twice to cast doubt for a brief time on the outcome.

Bert Cole was on the mound for the fourth place Missions and allowed the Angels only four hits so his team could climb within one game of Los Angeles. The final score was 7 to 1, the Missions making all their runs in the second and third innings.

After being tied in the ninth inning, Portland scored once in the tenth to beat Seattle, 2 to 1. Oakland held the upper hand over Sacramento throughout to win, 7 to 5.

St. Louis 5-2, Brooklyn 2-5.

FONG WAN HERBS SPECIAL- LY COMPOUNDED RELIEVE MANY AFFLICTIONS AT ONCE. Richmond, Cal. June 30, 1928. For years I had terrible pains in my right side. I also had liver and gall bladder trouble, which caused the pain to run clear around my back. All the healers whom I consulted said that I could not be helped unless an operation was performed. I was successful.

Herbalist. Being aware that many of my friends had greatly benefited by the Fong Wan herbs, I began to take them. I drank the tea conscientiously for seven weeks, at the end of which time I felt that my relief was complete. Now I have the added satisfaction of knowing that it is also permanent, for a year has elapsed and I am still free from pain and feel splendid.

REALTORS TO BE LIABLE FOR AGENTS

Attorney General U. S. Webb in an opinion to the State Real Estate department, under date of July 3, has ruled that California real estate brokers must on and after Aug. 14, 1929 accept liability for the acts of their salesmen and employees, as well as their own business transactions.

The attorney general interpreted the new real estate law to mean that each real estate broker must carry a bond covering his salesmen and employees' activities in addition to his own.

The real estate broker's bond has been \$2000 for the past six years and remains the same under the new act. New provisions make it now practically certain that the client who can prove to the commissioner that he has been wronged by a broker or his salesmen or employee can collect up to the amount of the bond. The surety companies will co-operate with the department in this respect. Last year Commissioner Harrison advised the repeal of the bond clause but after several hearings attended by the Realtors, the department and the bond companies, it was resolved to amend the bond provisions and give the surety plan another two years trial. At the legislature an additional provision was written in by the assembly committee that requires the broker to protect his clients against the misstatements of salesmen or employees. The new law will have far-reaching effect in the transaction of the real estate business.

The attorney general's opinion signed by R. L. Chamberlain, deputy, addressed to Chief Deputy Commissioner, T. A. Kelly is as follows:

"We acknowledge receipt of your letter relative to the change that was made by the 1929 legislature in Section 9a, of the Real Estate department act.

"The amendment consists of adding to the conditions of the bond words to the effect that it shall cover in addition to the acts of the broker, the acts of his salesmen and employees."

"You ask if it will be necessary when this amendment becomes effective in August, to have the bonds of those brokers now holding licenses amended, to conform with this amendment to the law.

"The statute, so far as our examination discloses, does not make any provision for postponing the effective date of this amendment. We are, therefore, of the opinion that it will be necessary for all bonds to be amended to comply with the statute, that is, the bonds must be amended so that they will include 'salesmen and employees.' We believe that this could be accomplished, as you suggest, by the filing of a 'rider' issued by the surety. It also occurs to us that a blanket rider might be arranged by a corporate surety having numerous brokers' bonds, by the filing with the commissioner of an appropriate document, which would act as a blanket rider for all bonds written by that company."

BUILDING PERMIT
O. N. Smith, was granted a building permit yesterday in the office of A. J. Hurley, city building inspector to construct a one-car garage on Roosevelt avenue between Seventeenth and Eighteenth streets. The work will cost \$75.

Sisters, Duplicates

MRS. MARY KREUGER and Mrs. Katherine Laughlin, sisters, of Los Angeles, became brides the same day and were visited by the stork on the same day. There is said to be a great resemblance between the tiny newcomers.

STARCHED, TRUSSED, IRONED MALES REVOLT AT PAJAMA FETE

(Continued from page 1)

roar with laughter as he sat on the back of the Institute's bronze lion to pose for a picture.

"You've got the right idea," chorused the crowd who looked on enviously.

Fashionably 45 minutes late for the latest in modern ideas was Leroy Esterdahl, art student, who brought the idea of the Russ with high, close fitting collar on his pajama jacket. He didn't look so hot with his straw hat, rolled six, cane and light tan shoes.

Riotous Stripes

The riotous stripes on Jones pajamas, however, did look hot and the beads of perspiration that flowed about his neck were explained later when he "disrobed" and stepped forth displaying complete street attire beneath the outer garments.

Leo Hyman, a haberdasher, who joined the group from a commercial standpoint, brought applause with his modernistic pattern. With the cord of his trousers tucked in at the belt, his black on white crazy quilt design looked comfortable if not conventional.

From a side street, Edward S. Motor, who styled himself a "fashion counselor," was led forth when his bright green pajamas attracted bright eyes of spectators and lenses of photograph-

ers cameras.

Organizer Absent

Richard Henry "Dick" Little, columnist for the Chicago Tribune, who organized the party, was not among those present at the Institute but it was reported that he arrived at a nearby point at about the same time that Frank Parkhurst, a clothier, promenaded his wall paper outfit.

Parkhurst's attire of black figures on a white background resembled what might have been appropriate for the walls of an artist's living room but he did not look any more out of place than his companions on Michigan boulevard today.

Art Small, with a large colcoat made the party complete, as far as his blue and white pajama far as it went, and when all were assembled the "parade" got underway.

Short Parade

The Sextette apparently had no idea of setting endurance marks and after parading a block or two, causing numerous traffic jams but no serious accidents, they disbanded and soon were out of sight.

Traffic then became normal, motorists purred and window shoppers turned their attention to the more ordinary displays of clothing in the stores along the boulevard.

cial interests that carry the loan on the property.

He declared that he had never seen a three year old hotel and its equipment in a finer and cleaner condition.

Hamilton who leaves today for his headquarters in Los Angeles expressed regret in severing business relations with the Richmond hotel.

"I have enjoyed my associations with the people of Richmond and have made many friends," he declared. "I meet them from time to time in my other hotels throughout the state and will always be glad to see them."

Clinton V. Smith, vice president of the Hamilton chain, accompanied Senator Hamilton to Richmond and assisted in settling business affairs of the hotel before turning it over to the present operators.

J. C. Callahan, recently installed as manager of the Hotel Carquinez, will continue in that capacity.

FLIER PLANS NEW RECORD FLIGHT

SPOKANE, Wash., July 31.—(U.P.)—Nick Mamer, Spokane aviator, tonight was laying plans to smash three records in one flight.

First, he intends to be the first man to fly from coast to coast and back again without a stop.

Second, he will attempt to break the world's refueling endurance record of 420 hours, 20 minutes.

After Record

Third, he will try to beat Frank Hawks' time from coast to coast and back.

He believes he has a good chance of doing all three.

The decision to attack Hawks' record came with a wire from the Buhl Aircraft company of Marysville, Mich. It said a new Buhl aircsman would be furnished for the attempt. The plane will have 350 gallons gasoline capacity and a cruising speed high enough to be a threat to Hawks' record which was set in a Lockheed "Air Express" model monoplane and which includes a layover of several hours at Los Angeles.

Route Set
The plane will fly from Spokane to San Francisco to Cheyenne to New York. Present plans call for refueling over Gotham and Cheyenne.

When the plane returns to the coast it will continue to fly over coast cities from Los Angeles to Seattle with the "nurse" ship preceding it, in an attempt to bring down the endurance record with it when it lands.

Youth Gives Blood To Save Life Of Aunt

Mrs. L. F. Hulbert, of Antioch, owes her life to the actions of her nephew, Milton Hardesty, 16.

year old school boy, who recently gave a quantity of his blood to his aunt, Mrs. Hulbert was in a critical condition and an operation was imperative. Her blood was in such a poor condition that physicians feared to operate. A blood transfusion was found necessary and young Hardesty volunteered to give a quantity of his blood. Mrs. Hulbert is reported to be recovering.

Hardesty is the son of Mr. and Mrs. C. M. Hardesty of San Pablo. He is a member of troop No. 10 of the Richmond Boy Scouts.

Bologna Bans Soviet Names For Children

BOLOGNA, Italy, July 31.—(U.P.)—Children in Bologna public schools who bear unchristian or bolshevist names which were imposed on them by their parents during the "Red intoxication" period in Italy, must change them to Christian names which correspond to Italian tradition and the spirit of modern times.

The civil court ruled today that Bolshevist names such as 'Atheist', 'Lenin', 'Anarchist' and 'Liberation', all of which are names of Bologna boys—must be changed. The decision was made at the request of city authorities under a law prohibiting imposition of names contrasting to the present moral atmosphere of the country.

Among the girl's names which must be changed are "Vengeance", "Dynamite", "Liberty" and "Internationale."

Bridge District Declared Legal

SAN FRANCISCO, July 31.—(U.P.)—Formation of the Golden Gate bridge district, purpose of which is to direct surveying and construction of a bridge across the Golden Gate, was approved here today by the state supreme court.

A friendly suit attacking validity of the district and right of the secretary of state to issue articles of incorporation was filed by a representative for San Francisco, Sonoma, Mendocino and Napa counties.

Protect Your Furniture

A \$1.25 to Rid Your Home of Moths May Save You Hundreds of Dollars.

MORTEMOTH KILLS MOTHS

The gas from Mortemoth crystals not only protects your furniture for a long time, but contact with it kills all moths, their eggs and their dangerous larvae in furniture which is already infested.

The proper method of using Mortemoth crystals is to tie them in small sacks and to place these sacks down in the channels of the piece, as deeply as possible, behind the cushions, so that, upon expansion, the gas will spread and fill the spring units in the back and in the bottom of the piece.

When the sacks are empty, fill them again.

JURY VISITS DEATH SPOT

COLUMBUS, Ohio, July 31.—(U.P.)—A strange pilgrimage was made this afternoon to the romantic shrines of Dr. James Howard Snook and Theora Hix, and to the spot where their romance came to its tragic end.

Twenty automobiles, carrying jury, lawyers, bailiffs and newspapermen whirled at 40 and 50 miles an hour over the road the former Ohio State University professor and his 24 year old mistress had traveled.

People gaped in wonder as the cavalcade stopped at innocent looking markets, in front of somber brick houses, on the university campus, the New York Central rifle range and toured the grounds of the cool, Green Scioto country club, dotted with golfers.

Dr. Snook, who has been confined to the county jail for more than a month, refused what might well be his last opportunity to see again the spots, which in times gone by, had brought him happiness. He waived his right to make the pilgrimage and remained through the afternoon in his jail cell.

"I'd rather sleep," he told the United Press.

The jury was completed with the selection of the thirteenth alternate juror—a woman, Mrs. Harry Cassidy—immediately after opening of the afternoon session of Snook's trial for the murder of Miss Nix.

Rev. A. W. Koehler Returns From East

Rev. A. W. Koehler, pastor of the Trinity Lutheran church has returned here after an absence of several months in the east where he attended the general evangelical Lutheran Synod of Missouri, Ohio and other states. The conference was held at River Forest, a suburb of Chicago.

Enroute to California, Rev. Koehler stopped at Colorado Springs and Salt Lake City where he visited friends.

CHINESE, REDS OPEN PEACE MEET

MANCHULI, Manchuria, July 31.—(U.P.)—Representatives of Soviet Russia and China began negotiations tonight for settlement of the conflict over control of the Chinese Eastern railway in a palace car of a special train placed on the border line, near here.

The Chinese emissaries were said to have indicated a willingness to restore the Chinese Eastern railway to its "status quo ante" provided that Russia furnishes guarantees to refrain from Communist propaganda in Manchuria.

The Soviet has demanded that the railroad be returned to its former status of joint control before negotiations are undertaken. Seizure of the road by Chinese officials caused the break in relations between China and the Soviet.

The Chinese emissaries left Harbin Sunday night.

SOVIET RESERVE OFFICERS RECALLED

MOSCOW, July 31.—(U.P.)—All reserve officers of the Soviet in the far eastern region who have been on long term leave, tonight were ordered to report for training immediately.

All branches of reservists whose birth years are 1902 and 1903 and who are resident in the far east also were ordered to report.

Deceased was the mother of George Giovannetti and Mrs. Rose Elanchi of Richmond, and Mrs. Georgina Giovannetti of Oakland.

Reynolds To Face Five Month Term

LONDON, July 31.—(U.P.)—Richard J. Reynolds, one of the principal heirs to the \$50,000,000 estate of his father, the late American tobacco magnate, tonight was under sentence of five months imprisonment for manslaughter.

Reynolds was convicted and ordered to pay the costs of prosecution after a trial at which he was accused of being drunk on the night that his automobile ran down and fatally injured a cyclist, Arthur Graham on the Bath road.

The 23-year old American was sentenced to serve in the second division, which is less rigorous than the division for "morally depraved" offenders.

After police officers had testified that Reynolds' car struck Graham and then raced on towards London, the defendant himself and expert medical witness took the stand in an effort to show that the American youth was not intoxicated. Reynolds asserted that he was "blinded by glaring lights" at the time of the accident and did not know he had struck the man.

Parachute 'Hop' Revealed A Fraud

LOUISIANA, Mo., July 31.—(U.P.)—The story of Mary Daly's 276 mile parachute jump from Chicago to Louisiana, was discredited today when she was identified as a girl who alighted from a train here last night and was driven in a truck to the scene of her "landing."

A. B. Hall, who resides in Bowling Green took Miss Daly from Booth to a field where she later announced she landed in a parachute. Hall said the girl carried a large bag and explained she was looking for her sister who was making a parachute jump.

AGENTS SCORED IN VESTRIS DISASTER

LONDON, July 31.—(U.P.)—Overloading of a steamship which was not in safe condition when it left port was found today by the British board of trade to be the cause of the sinking of the S. S. Vestris of the Lamport and Holt line off the coast of Virginia last November, a disaster which cost 111 lives.

The board adjudged that the responsible officers of Sanderson and Sons, New York agents of the Lamport and Holt line, were guilty of "wrongful act and default which contributed to the loss of the Vestris."

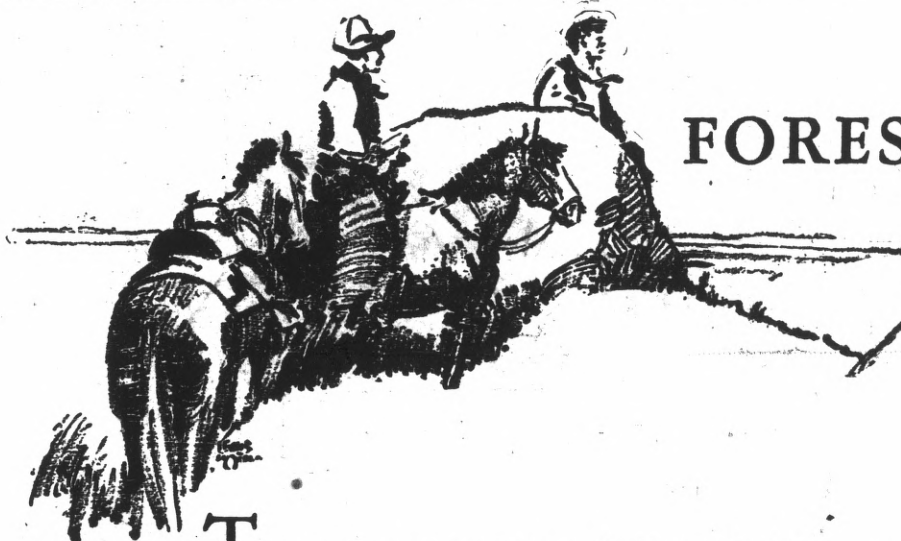

In view of the findings, the Star's political correspondent said, it is understood every line of evidence given at the inquiry will be reconsidered in the light of possible criminal proceedings. Those considered by the court to have been guilty of "wrongful act and default" are David Cook, vice president of Sanderson and Sons; Harry Wheeler, marine superintendent, and Capt. W. S. Heasley, assistant superintendent of the firm. Cook was ordered to pay costs of the inquiry amounting to \$2500. The firm had charge of the loading of the Vestris.

The court also found that "some of the blame is attributable to the management of Alfred Woods, general manager of the line, for not taking further measures for preventing overloading when he knew the ship had been previously overloaded."

FORESIGHT

THE HISTORY OF CALIFORNIA is a story of achievement. It is written in the biography of men and women who had the ability to foresee and the energy to make their plans come true. The pioneers who looked far over the untilled country glimpsed what the future would bring. With their foresight as inspiration and guide, they began.

Another generation has taken up their work. In the fertile fields, towering cities, busy factories—all that is California—is a record of accomplishment—of foresight justified.

The Bank of America is proud to have aided in this achievement, and it is confident that the future will be far greater than the present. It is planning and building for this future.

More than half a million depositors testify to the value of its state-wide service and broad experience. To present customers and to those who will become new depositors day by day, the Bank extends whole-hearted and able co-operation.
